Dear Parent/Carer

Easter School – An Opportunity to Excel

At WCSA we want your child to leave school knowing that they have achieved the best results possible. To that end, we have organised Easter School from 11th-14th April as an opportunity to gain additional confidence in exam technique and consolidate knowledge.

The purpose of each session is not for students to come along and learn new content or ideas, but for them to test their current knowledge, understanding and skills, as well as develop their examination technique.

In addition, on Saturday 2nd April, we have also arranged a session for those taking French or Spanish just prior to the students taking their speaking exams so they get maximum benefit from this opportunity.

Hard work and dedication now will pay great dividends in terms of future goals, ensuring students get on to the course on which they have set their sights. Once they reach the middle of June, they will have a glorious ten week break in which they can catch up on life and all they feel they might have missed in the run up to GCSEs!

Experience shows that this intervention is successful, and that your child will benefit greatly, reaping the rewards in the summer. The timetable for Easter School is shown overleaf and students can attend as many sessions as they wish.

Thank you for your continued support.

Yours faithfully

Mr N Somers
Head of Year 11
